ORDER

14 This habeas matter comes before the Court on petitioner's motion (#24) to withdraw
15 as counsel, to proceed in proper person, and for an extension of time to file an amended
16 petition.

17 The motion is signed by both counsel and by petitioner in proper person, which
18 arguably renders unnecessary the requirement of Local Rule LR IA 10-6(b) that the motion
19 be served on the affected client. However, functionally, the Clerk will need an updated
20 address for notices to petitioner following upon his release from physical custody and the
21 anticipated withdrawal of counsel.

22 IT THEREFORE IS ORDERED that, within **seven (7) days** of entry of this order,
23 petitioner's counsel shall file a supplement to the motion with petitioner's updated address for
24 notices and service upon him in proper person. The motion remains under submission.
